

BEELEC WARRANTY

WARRANTY INFORMATION

BEELEC LIMITED WARRANTY

Beesley Electrical Services Ltd. (“the Contractor”) provides the following limited warranty for electrical installation services performed:

In line with the Consumer Rights Act 2015, the Contractor’s services shall be carried out with reasonable care and skill.

DURATION OF WARRANTY:

The warranty period shall be 6 years from the date of completion of the electrical installation.

COVERAGE:

The Contractor warrants that all electrical work performed under this contract will be free from defects in materials and workmanship.

The warranty covers repairs or replacements necessary due to defects caused by installation negligence where services are proven to be provided without reasonable care and skill during the specified warranty period.

Defects caused by a manufacturer fault may be subject to a service charge.

EXCLUSIONS:

The warranty does not cover damage caused by:

- Acts of nature (e.g., lightning strikes, floods, earthquakes)
- Unauthorized modifications or alterations
- Negligence or misuse by the client or third parties
- Failure to follow maintenance guidelines provided by the Contractor.
- Minor imperfections, surface marks, or variations resulting from the manufacturing process that do not affect the product’s functionality or performance.

The Contractor reserves the right to identify other sources of damage which may also result in an exclusion from the warranty cover.

REMEDIES:

In the event of a defect covered by this warranty, the Contractor will:

- Be provided with an opportunity to repair or replace the defect.
- Be provided with an opportunity to repeat the work resulting in the defect.

For defects caused by installed faulty products, still under manufacturer warranty; the Contractor will repair or replace the installed product.

For defects caused by installation negligence the Contractor will repeat the work necessary to resolve the defect.

The Contractor reserves the right to make the final decision on the appropriate remedy.

CLAIM PROCESS:

To make a warranty claim, the client must notify the Contractor in writing within 28 days of discovering the defect.

Defects caused by manufacturer faults must be notified to the Contractor within the products warranty period.
The Contractor will promptly assess the issue and schedule the necessary remedy.

TRANSFERABILITY:

This warranty is transferable to subsequent property owners during the warranty period. All supplied documentation and proof of services must be passed on to the subsequent property owner for the warranty to be transferred.

The warranty period does not reset upon transfer.

LIMITATION OF LIABILITY:

The Contractor's liability under this warranty is limited to the cost of repair or replacement.

The Contractor shall not be liable for any consequential or incidental damages.

ADDITIONAL NOTES:

The warranty does not affect the client's statutory rights under consumer protection laws.

The Contractor recommends regular inspections and maintenance to ensure continued safety and optimal performance of the electrical installation.
